# Problems

## Problem 01

*The current structure of the Marketplace is siloed.*

## Problem 02

*Vendor products are lost in a sea of other products, often unrelated.*

# Solutions

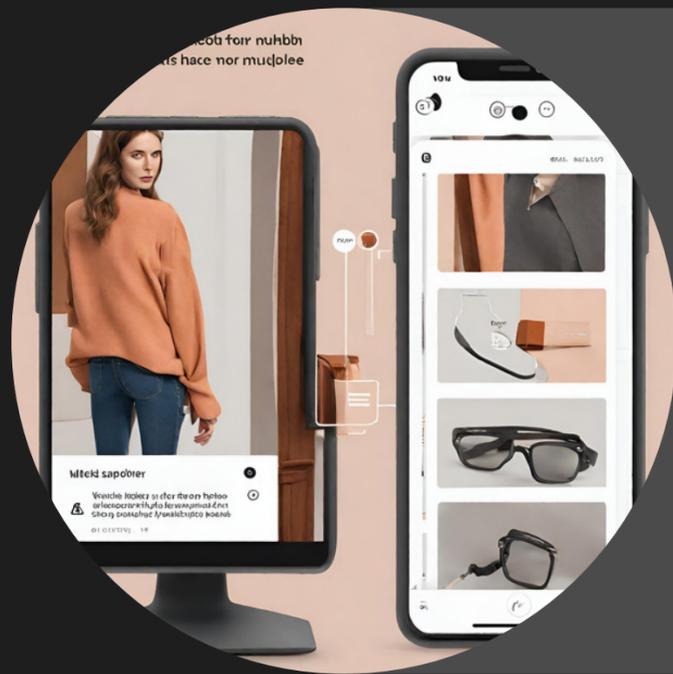

## Solution 01

*Offers products, services, and rentals on a single platform.*

## Solution 02

*Provides niche storefronts to focus on the vendors products relevant to their industry.*

# Competitive Edge

## Advantage 1

***Greater visibility by selling on general marketplace and storefronts.***

## Advantage 2

***Greater sales growth potential through product sales, service sales, rentals, and bundles.***

# Target Markets
